The **Assistance App** puts you and your family members in direct contact with International SOS physicians, nurses, operations, logistics and aviation experts. In an emergency – or for routine advice – our team of dedicated and caring professionals, as well as our global network of over 79,000 vetted providers, are only a click away.

Benefits

- In time of need, you can **quick dial for immediate help** from an International SOS assistance center, whether it's for an emergency or just for advice.
- It gives you **peace of mind and the ongoing confidence to travel** or relocate anywhere in the world knowing this safety net – and sometimes lifeline – is always available 24/7/365 simply by pressing a button.
- It gives easy access to timely **medical alerts for each country**, so you are kept aware of changing situations and can quickly adjust plans as needed.
- Access to medical information on over **200 countries and 300 cities** worldwide.
