

## The International SOS Assistance App delivers the benefits of membership straight into the hands of your students, faculty, and staff.

The Assistance App puts your travelers in direct contact with International SOS physicians, nurses, security, operations, logistics and aviation experts. In an emergency – or for routine advice – our team of dedicated and caring professionals, as well as our global network of over 79,000 vetted providers, are only a click away.

### Benefits for your university

- The App helps raise awareness and usage of your International SOS membership, helping your travelers understand its value and make the most of this resource.
- With the easy-to-use App prominent on your traveler's mobile devices, you create another avenue to instantly educate, train and empower your students, faculty, and staff to proactively manage their health and security risks and help meet your Duty of Care.
- By having travelers download the App directly or pushing it to their mobile devices, it puts valuable travel, health and security advice and emergency assistance at their fingertips. It also helps your university fulfill its Duty of Care obligation.
- The App provides reassurance of the support available to your travelers.

### Benefits for your travelers

- In time of need, your travelers can quick dial for immediate help from an International SOS assistance center, whether it's for an emergency or just for advice.
- It gives your travelers peace of mind and the ongoing confidence to travel or relocate anywhere in the world knowing this safety net – and sometimes lifeline – is always available 24/7/365 simply by pressing a button.
- It gives easy access to timely medical and security alerts for each user's location, so travelers are kept aware of changing situations and can quickly adjust plans as needed.
- It supplements the International SOS membership card, ensuring your travelers always have their membership number with them.
